Sir,

Subject Modification of Vehicle Tax Bye-laws of Sagar Town Municipality

---

I have the honour to state that the Government have been repeatedly observing at the time of sanctioning the yearly Budgets to improve the financial resources of this Municipality in order to be able to meet the increasing expenditure This point is also being stressed by the Deputy Commissioner, Shimoga District, on the Municipality several times As a measure towards increasing its resources, it was thought best to revise the rates of Vehicles taxes which are in vogue for the last 10 years without any increase The cost of maintenance of roads which are used by these vehicles has increased very considerably while the vehicle tax has not correspondingly increased, although the cart-hire rates charged by cart-men have doubled or tribled since the time of the original levy of Vehicle tax It is therefore proposed to levy the maximum rate of tax for the vehicles detailed below as per Schedule III of the Municipal Act

The Municipal Council which met at its meeting held on 28-8-1948 has resolved to increase the rate of levy of Vehicle tax as shown below thus modifying the present rates which was approved in Government Order No L 219/M1 70-38-146 dated 6-7-1939

Item 5 of Schedule to the existing Bye-law -	Present levy	Proposed levy
For every cart or other vehicle without springs	Rs 2- 0- 0	4- 0- 0
Item 6 of Schedule to the Existing Bye-law		
For every Bicycle or Tricycle	2- 0- 0	3- 0- 0

The Municipal Council after publishing the Draft of the proposed

P T O.

proposed Bye-law both in the Official Gazette and locally for the information of the persons likely to be affected, thereby , also calling for objections from the public within a specified period as per Rules, passed a Resolution at its meeting held on 30th October 1948 to recommend to Government for the modification of the Vehicle tax Bye-law as was notified, since no objection of any kind were received till the date of the meeting which was more than a month from the date of the publication of the Notification

I therefore request you to be so good as to kindly accord sanction of Govefnment to the proposal of the Municipality to modify the present Bye-laws pertaining to the Vehicle tax as shown below at a very early date, as the beginning of the next Official year is drawing near and this has to be given effect to from 1-7-1949, since the Budget proposals for 1949-50 are based on this modifications anticipating sanction of Government

	Present rate	Proposed rate
Item 5 of the Schedule to the Existing Bye-law		
For every cart or other vehicle without springs	Rs 2- 0- 0	4- 0- 0
Item 6 of the Schedule to the existing Bye-law		
For every Bicycle or Tricycle	2- 0- 0	3- 0- 0

The entire records with a copy of the existing Bye-law together ~~with~~ with copies of Resolutions of the Municipal Council held on 28-8-48 and 30-10-1948 and the notification published in this connection are herewith enclosed for favour of kind perusal

Yours Faithfully,

President
